OFFICE OF LEGISLATIVE COUNSEL

Thursday - 19 October 1967

25X1 1. [] Accompanied [] OSI, to a 25X1
briefing of Colonel Glenn Smith, Senate Preparedness Subcommittee staff,
on the nuclear testing programs of the Soviet Union, Communist China

25X1 [] The briefing lasted approximately two hours. Colonel Smith
was most appreciative.

25X1 2. [] Left with George Murphy, Joint Committee
on Atomic Energy staff, an FBIS publication containing open statements by
the Soviets on the subject of their ABM system.

25X1 3. [] Called Mr. Jack DeSipio, Civil
Service Commission, concerning the status of the Commission's report
on the Agency's revised legislative package. Mr. DeSipio indicated that
he had found no objection to our proposal and that the report was in
channels within the Commission and he would see if he could "help it
along."

25X1 4. [] and John S. Warner met with
Congressman Edward J. Derwinski to debrief him on his recent trip to
25X1 [] Derwinski had met with [] Thereafter he traveled for 25X1
about three days through the countryside. He met a great number of officials
both military and government and also businessmen. He reported on their
25X1 attitudes. [] felt this was a most useful session for his purposes.
Mr. Derwinski seemed pleased that he could have been of some help to us.

25X1 5. [] Talked with Larry Conrad who indicated
he had been checking around on the wiretap bill situation in the Senate
Judiciary. He indicated that he did not see how this could be brought up in
Subcommittee next week. There is a further problem that similar bills are
in two different Subcommittees. He also was able to confirm that Senator
Hart does indeed wish to subject the national security exemption to court
procedures. He will discuss this further with Senator Bayh and we will keep
in touch.
